WEBER GENESIS GRILLS

Our 2011 Weber Grills are now in & ready to go!

Weber made nice enhancements to the Genesis model for 2011. Come in & check them out! We also have a nice selection of 2010 Genesis models in stock. That's good news because you can take advantage of 2010 pricing on these 2010 Genesis models, while supplies last. Now is the time to come in & get grilling with the best - a Weber Genesis.

HUMMINGBIRDS & ORIOLES

FEEDERS

Entice more birds to your feeders

Hummingbirds & Orioles can often be enticed to visit feeders filled with sugar water, especially when nectar-bearing flowers are planted nearby.

Browse our large selection of feeders & find the one that fits your personal style. Peterson's Country Mill also stocks a variety of nectar including jelly.

REVITALIZE YOUR LAWN WITH PRODUCTS FROM PETERSON'S COUNTRY MILL!

Starting your lawn out right cuts down on the work & problems of maintaining a high quality lawn. A thick & healthy lawn will choke out many of your weed problems. Stop in this spring & let one of our experts help you make a game plan.

Lawn Seed – Peterson's Country Mill's lawn seed is formulated & perfected for this part of MN. Sunny or shady mixes available for all conditions & lawns. Spring is an excellent time to seed your lawn. Just add water!

Soil Testing – Our expert staff works with homeowners to get their soil perfect for planting. A soil test will help you plan which nutrients will make your lawn, garden, pasture or food plot even healthier.

Peterson's Country Mill's Premium Fertilizer –

It is best to fertilize your lawn more frequently in smaller amounts, four times a year. Starting in early spring, as soon as the soil can be worked & then again late spring, mid-summer & fall. Start your gardens out right with a fertilizer rich in potash & then again every four to six weeks. Peterson's Country Mill has a "no phos" blend available.

Pelletized Lime – Soil tests are very important in maintaining a healthy lawn. Pelletized lime can be used to balance your ph levels.

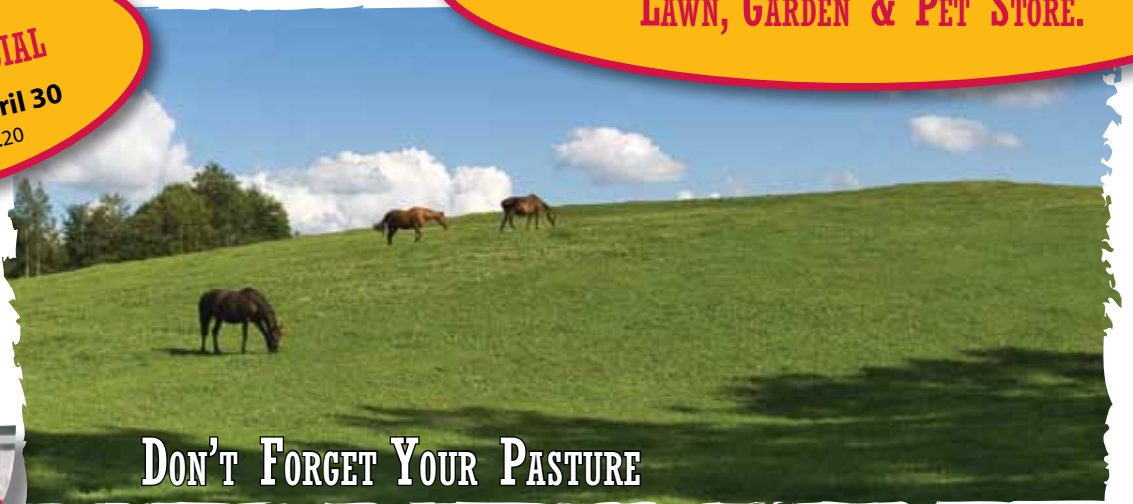

FREE Lawn Care Guide

- We have expert staff on hand everyday to answer your lawn & garden questions.

SOIL TEST SPECIAL
\$16.50 April 1 - April 30
Ezs test value of \$18.20

WE'RE YOUR LOCAL FARM, HOME, LAWN, GARDEN & PET STORE.

DON'T FORGET YOUR PASTURE

Stop in this spring & let one of our experts help you make a game plan.

Improve the productivity of your pasture.

Establishing a rotational grazing system is the best way to maximize forage production & consumption on limited pasture acreage. Avoid over or under grazing. Horses typically graze in spots. Unless they are moved frequently into new pastures, they will seriously damage desired species in some areas. Rotational grazing is therefore desirable.

Apply fertilizer as needed. Improved horse pastures must be fertilized annually if legumes & grasses are to persist & remain productive. The best way to establish fertilizer requirements is to have a complete soil test every two or three years.

- **Pasture Seed** – Peterson's Country Mill stocks multiple options for seed.
- **Peterson's Country Mill's Premium Fertilizer** – Our mill can custom mix bulk fertilizer to match your needs.

SCOTTS "NO PHOS" PROGRAM

Good for you & our environment

Deliver a gradual & even feeding of all essential nutrients to your lawn with a regular lawn feeding given at the right time.

Choose from:

- Crabgrass Preventer Plus Fertilizer
- Weed Control Plus Fertilizer
- Lawn Fertilizer

Scott's

Lawn Pro.

Feeding the lawn does not have to be complicated!

Just know that the best thing you can do for your lawn is to feed regularly throughout the growing season with a quality fertilizer.

5 TON GROUND DRIVEN DRY FERTILIZER APPLICATOR

In addition to all the knowledge & services you've become accustomed to here at Peterson's Country Mill, for 2011 we have added a new piece of equipment that may be a fit for some of you. A Doyle 5 ton ground driven-dry fertilizer applicator. This means you can pull it with your pick-up truck because it doesn't require a power take off.

Agri-Fab
Hook up with the leader

Agri-Fab offers the widest assortment of attachments in the lawn & garden industry. When you hitch up to an Agri-Fab product, yard work is no longer hard work.

WE HAVE GARDEN EXPERTS AT PETERSON'S COUNTRY MILL

Preen™ Organic Weed Preventer

Stop weeds before they start! Safe for kids & pets. Sprinkle around established vegetables, herbs & fruits every 4-6 weeks.

Bulk Seeds – Check out our large variety of bulk seeds. In bulk you get fresh seed & best of all you save money. Seed potatoes, onion sets, sweet corn, beans or peas in any amount.

Livingston Seeds – 100% Organic. Pure & natural. Carefully selected open-pollinated varieties. No hybrid or genetically modified varieties. Gardening as nature intended.

Baker Creek Heirloom Seeds – They offer a large variety of open-pollinated seeds: pure, natural & non-GMO! (genetically modified organisms)

EARTHWORM CASTING

Simply put, Earthworm Castings are the manure from the Earthworm.

Castings are one of the most natural soil enrichments available & are environmentally friendly, all natural, easy to use & safe to handle. Earthworm Castings have a pleasant, earthy aroma.

Earthworm castings improve plant & soil vitality by providing essential plant nutrients, beneficial bacteria & microbes.

RADIUS NATURALLY EASIER

Best Selling, Award Winning Ergonomic Hand Tools.

Natural Radius® Grip creates more leverage & less stress on your hand & wrist. The aluminum blades are surprisingly light & remarkably strong.

BETTER REDS™

Red mulch film increases tomato yield up to 20%

This reusable film helps plants by retaining moisture, controlling weeds & warming the soil. The quality of tomatoes is enhanced by reflecting red light back to the plant.

CERAMIC POTS

See the very latest shapes & colors, like the ones that you see in gardening magazines. **Hundreds in-stock.**

DIRT, SOIL & POTTING MIXES

Peterson's Country Mill carries all the top brands of soil to get your planting off to the right start.

PATIO FURNITURE

See our new exciting designs & patio decor ideas. Peterson's Country Mill offers custom ordering, with a variety of colors available from Meadow Craft & Telescope.

GARDEN DECOR

Personalize your outdoor living spaces with bright & inviting decorations.

PLANTS ARRIVING
Large selection of annuals, vegetables, herbs & hanging baskets
Arriving the 1st week of May. Just in time for Mother's Day! Veggies arriving later.

ARBOR DAY CELEBRATION

Arbor Day is a nationally celebrated observance that encourages tree planting & care. Founded by J. Sterling Morton in Nebraska in 1872, National Arbor Day is celebrated each year on the last Friday in April. Peterson's has a limited quantity of Blue Spruce seedlings that will be available the week of April 18th in celebration of Arbor Day. They are individually wrapped & come with a packet of starter fertilizer.

Free with purchase while supplies last.
This would be a great family project!
