Peterson's
COUNTRY MILL

CALF A

Sometimes people forget that Peterson's Country Mill has its own line of feed. This means that a great deal of our ingredients come directly from local farmers. Peterson's North Branch Mill's Calf A feed will maximize the growth potential & keep your calves healthy. Calf A's specially formulated recipe of proteins, minerals & vitamins will provide the perfect nutrition for your growing calves.

Peterson's
COUNTRY MILL

GOAT FEED

Peterson's Country Mill has been mixing & grinding feed for over 53 years. Peterson's North Branch Mill's Goat Feed is formulated for all breeds & life stages of goats. Made fresh to be highly palatable & nutritionally balanced with vitamins, minerals & oils to help your goat reach their full potential.

Professionals trust one name more than any other for exotic animal diets: Mazuri Feeds

Mazuri® Alpaca Chews™ is a mini-cubed supplement especially designed to meet the nutritional needs of Alpacas fed hay or pasture. This unique mini-cube increases chewing time to minimize choking & waste. The added vitamin E & selenium reduces or eliminates the need for supplements.

WHO KNEW PEACE OF MIND CAME IN A BUCKET?

Peterson's Country Mill Carries a Full Line of Milk Replacers

Land 'O Lakes Mare's Match foal milk replacer & Mare's Match foal milk transition pellets allow foals to grow to their full potential in the early stages after birth & as they are weaned. Have Mare's Match products on hand to relieve your worries.

When you've got a mare that can't give your foal the nutrition it needs, you need a milk replacer that can. Mare's Match® Foal Milk Replacer is a 24/16 blend equal to the mare's own milk. Mare's Match is good up to one year if unopened.

When To Use Mare's Match Foal Milk Replacer

- Orphan foals
- Foals with inadequate milk supply
- Mare won't allow foal to nurse
- Foals from sick mares

SUPER PREMIUM NUTRITION FOR PETS

NutriSource® Large Breed Puppy Chicken and Rice Formula provides super premium nutrition in a scientifically formulated easy-to-digest food designed for puppies of breeds that will mature at more than 50 pounds. This is formulated to provide proper nutrition for balanced muscular and skeletal growth in large and giant breeds avoiding joint problems later in life.

ACTIVITY

TOYS FOR BIRDS

Prevue Hendryx Activity Toys will provide hours of foot & beak exercise as birds climb, swing & gnaw on the colorful dangling hardwood shapes & textures.

FEEDING BUNNIES

Rabbits are creatures of habit & they usually eat at the same time each day. To help prevent obesity & avoid overfeeding, it is recommended that you provide an adequate amount of feed at the same time each day.

Nutrena's NatureWise® Performance Rabbit Formula

The balanced nutrition in NatureWise Rabbit Formula helps enhance fast growth, maximum coat quality & supports milk production of lactating does. This complete feed eliminates the need for supplementation & makes it convenient for you to feed.

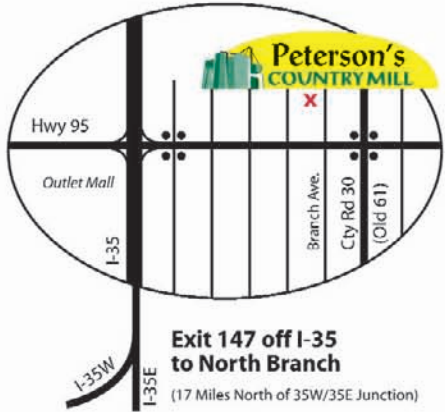

NUTRITION WITH A PURPOSE

Healthy pets from head to tail

Nature's best ingredients go into fresh & natural Exclusive® Chicken & Rice Formula Cat Food, providing extra nutrients to help ensure your active cat or growing kitten remains healthy for life. All Exclusive® formulas are thoroughly researched and quality assured for balanced nutrition your pets will love.
