The Christmas season has always stirred up visions of families gathering to get reacquainted and sharing in traditions handed down from generation to generation. Here at Peterson's Country Mill, we value family time and traditions as well. That's why we have scheduled a special fun filled day for your entire family to enjoy on Saturday, December 2, 2006. Take a look at the schedule of events listed to the right. There is something for everyone, from young to not so young and there will be plenty of opportunities to even take that hard to get family photo. Of course the store will be packed full of great ideas for that special gift you need to get. Why not make Peterson's Country Mill part of your list of holiday traditions! We hope you can make it in to see us on December 2nd, but even if you can't, from our family to yours, we hope you have a Merry Christmas.
