# Landscape and Garden Solutions

New from Peterson's

New legislation stipulates no phosphorus fertilizers used on Minnesota lawns except when called for on soil tests. In compliance with this new legislation, Peterson's Country Mill produces a 25-0-12 "phos-free" fertilizer. In addition, Peterson's carries other "phos-free" solutions including Scotts brand.

## Peterson's Service Advantage

- Peterson's lawn care and grass seed specialists also provide:
- Soil testing and analysis by an independent lab
  - Custom mixing and packaging of seeds
  - Special order seeds if needed
  - Equipment for purchase

## Get inspired with Laguna Backyard Ponds

Make your backyard into a quiet refuge with the easy-to-use Laguna Pond Kits. They contain everything you need to build a pond that will be the envy of the neighborhood.

## Precision Garden Seeder

Plant a variety of vegetable and flower seeds with one continuous operation that opens the soil, plants the seed, covers, and marks the next row. Your rows will be evenly spaced and planted with a precise depth. Each seeder comes with six standard seed plates to accommodate different size seeds. EarthWay Products, established in 1965, engineers and manufactures products used by homeowners and professionals alike. Saves time and prevent lower back pain with a garden seeder available at Peterson's.

## The Review is in! Kids & Critters Day earns 4 Stars

Peterson's says "Thank You!" to all who came to Kids and Critters Day, February 12th. Children as well as pets enjoyed wearing costumes and being part of the parade. Photos were taken, drawings awarded and many other activities were part of the fun. Join Peterson's for other exciting and informative events this season.

## Poultry Care and Management

Peterson's Country Mill is your one-stop headquarters for everything your chicks need to grow into healthy, productive birds. Not sure where to start? Ask for our informational sheet to get you started or check out our book nook.

## Security and Safety for Dogs and Horses from Behlen

Behlen stalls and kennels have a reputation for premium quality features and construction in an affordable, easy-to-set-up modular system. The dog kennels are designed to be superior to chain link kennels. They not only look attractive but stand up to abuse from larger animals.

Check out our New Birding Area!

## The Season is Short for Hummingbirds

Peterson's has a wide selection of hummingbird feeders, oriole feeders and nectars. Hummingbird nectar is easy to use and provides a sweeter, more digestible, high energy diet. Products are available in both liquid and powder concentrate.

## Be Barreled Over with Products from Crystallyx

It may look like an ordinary barrel. But what's inside has the power to improve performance better than any other livestock supplements you've tried. Peterson's carries several Crystallyx products. Mineral-lyx is a complete mineral source. It is an ideal all-season mineral supplement for grazing cattle. Brigade Stress Fighting Formula is fortified to overcome nutritional stress associated with weaning, shipping, grouping and breeding.
