BIG BRANCH HORSE FEEDS

Big Branch is made here in North Branch - always fresh! Direct from our mill to you at a great savings! Peterson's Country Mill takes great pride not only in the quality of Big Branch but the economical price & the knowledge our staff has to offer.

Peterson's Country Mill has a NO CORN, low starch horse feed. Why choose Big Branch Low Starch?

- Special needs horses benefit from a low starch & low sugar diet.
- Makes for a calmer & more focused horse.
- "Safer Energy" feed. Lower in starch, higher in calories. Fats enriched diet & higher digestible fibers.

Peterson's Country Mill's Big Branch Ultra is designed for active horses, pregnant mares & foals. It features a specially formulated pellet from Hubbard Feed that minimizes sorting & delivers the same nutrition in every pellet.

REJUVENATE YOUR LAWN

Get a good start on next year's lawn.

We are coming up on the ideal time of year to start your fall lawn care program. Fall is a perfect time to seed with Peterson's Country Mill's Lawn Seed. The warm days & cool nights create an excellent environment to start seed. By seeding in the fall, you also create better choices for pre-emergent crabgrass control next spring.

Mark your calendar for a fall fertilizer application in late October. Peterson's Country Mill's blends will nurture your root systems & set them up for a good start next spring. We also have Scott's brand fertilizers.

Peterson's Country Mill carries the tools & equipment to get the job done quickly.
